(Coauthors: Senators Hertzberg and Vidak)

February 17, 2016

An act to amend Section 68120 of the Education Code, relating to public postsecondary educational institutions.

LEGISLATIVE COUNSEL'S DIGEST

AB 2164, as amended, O'Donnell. Public postsecondary education: tuition and fees.

Existing law prohibits the Board of Directors of the Hastings College of the Law, the Trustees of the California State University, the governing boards of each community college district, and, if they adopt an appropriate resolution, the Regents of the University of California from collecting mandatory systemwide tuition and fees from any surviving spouse or surviving child of a deceased person who was a resident of the state and employed by or contracting with a public agency, whose principal duties consisted of active law enforcement service or active

fire suppression and prevention, and who died as a result of his or her duties, as specified.

~~This bill would make that prohibition applicable to any mandatory tuition and fees rather than mandatory systemwide tuition and fees. The bill would also extend the application of those provisions to the surviving spouse or surviving child of a person who died as a result of an industrial injury or illness arising out of and in the course of active law enforcement or fire suppression and prevention duties, and who otherwise met the above-referenced requirements. The bill would also make conforming changes.~~

To the extent the bill would impose additional duties on community college districts, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
